## Welcome To East African (India) Overseas

East African (India) Overseas is an offshoot of East African Remedies (I) Pvt. Ltd. which is engaged in the manufacturing and marketing of pharmaceutical formulations- Therapeutic and prophylactic since 1980. East African (India) Overseas is located in a pollution free, serene atmosphere in the Himalayan sub-continent in Uttarakhand in India, in an industrial area which is specifically dedicated to pharmaceutical industry. We are having Tablets:(Beta & Non Beta Lactum & Oncology), Capsule sections in both:(Beta and non-Beta), We are also having dry syrup:(Beta & Non Beta Lactum), dry injection:(Beta & Non Beta Lactum), liquid injection(SVP & Oncology), oral liquids, Opthalmic & Nasal preparations:(Eye /Ear/Nasal), Protein Powders, Herbal preparations:(Oral Liquids, Soaps, Ointment/ Gel, Oil, External Preparations (Cosmetics): Lotions, Ointments, Creams, Facewash, Sunscreen Lotion, Moisturizer, Soaps (Medicated & Cosmetics). We undertake third party manufacturing either on p2p basis or on loan license basis as per the customer need. We are having good spare capacity to accommodate more & more customers. We are associated with many multinational as well as leading domestic pharmaceutical companies like TORRENT, INTAS, LEEFORD, LUPIN, ZUVENTUS, ERIS, ALEMBIC, DR.REDDY. We are having state of the art in house testing laboratory having all modern equipment like HPLC, Gradient HPLC, Amino Acid Analyzer, Spectrophotometer, and Rotatory Vacuum Evaporator etc to ascertain the quality of finished products. At Ear East African quality is of paramount importance and we strictly adhere to the regulatory norms to meet required quality parameters. Timely delivery is the essence of any business & we strive hard to come to the expectations of our esteemed customers. Export: We welcome export enquiries as our finished

products meet international standard and we can provide COPP for many countries as per the customers needs. We are WHO-GMP accredited and manufacture both pharmaceutical specialities patented as well as the quality standards of importing Countries . Our company is licenced to manufacture both biological and Non-biological products. Our company is located in approved industrial area especially created for Pharma industry called Pharmacity with all amenities to manufacture and export pharmaceuticals. The company offers large scale contract manufacturing facilities to other organizations as well. The company assists customers in formulations where a tailored made formulation can be designed in our application laboratory from lab scale to pilot batches. The company is backed by a team of professionals in manufacturing.
