## Welcome To Elfin Drugs Pvt. Ltd.

Elfin Pvt Ltd is a company, established in 1999, that promises good health for all by providing quality medicines at affordable prices and committed to care the people for keeping good health. Elfin Pvt Ltd has won many accolades in the domestic and international pharmaceutical domain. We are engaged in manufacturing of pharmaceutical products for acute care market, etc. We are a leading group of companies that is headed by an experienced management involved in the diverse field of pharma industry and is situated at the excise free zone in Himachal Pradesh which is conducive for a pharma industry to grow. Our commitment towards quality, rich industry experience together with ethical business values have taken us a long way in gaining a global recognition. We possess an image of a widely recognized manufacturer of injectables, latest tunnel system for dry and liquid injectables, liquid syrups, dry syrups, eye / ear / nasal drops, pre-filled syringes and non-sterile / sterile ointments. The company is WHO-GMP licensed manufacturer that is lead by a team of dedicated professionals who are committed to deliver the best and most reliable medicines to our customers. Customer satisfaction is our prime aim and we make best possible efforts to achieve it. We firmly believe in ethical business practices and maintain full transparency in all our activities. Our belief lies in consistent efforts to provide safe, effective and reliable pharmaceutical products to our customers. We are having State-of-the-art Injectable finished Pharmaceutical manufacturing facility. We also have a well-qualified Regulatory Department looking after the preparation of Dossiers for registration. We are also in collaboration with NIPER (National Institute of Pharmaceutical Educational Research) to develop new technologies to manufacture new molecules, ANDAS & NDA.
