Welcome to Elma pharmaceuticals

Elma pharmaceuticals private limited is a realization of dreams for five dedicated entrepreneurs who have around seven decades of collective pharma marketing experience. The company which was formulated in the year 2004 today takes pride with all humility, in establishing itself as one among the frontrunners in pharma marketing in kerala and Karnataka. Our company has taken utmost care in providing quality drug formulations to medical fraternity by integrating our manufacturing tie ups with M/s. Akum drugs & pharmaceuticals, Swiss Garnier life sciences, Chiros Health care, all rated as one among the best manufacturing facilities presently available in our country.Our association with medical fraternity by participating in CME/Workshops/Conferences etc.,
