Welcome to Epicon Lifesciences

Epicon Lifesciences LLP is a research based global company that focuses primarily on next generation, latest therapeutics, wellness and OTC solutions for Human Care and Veterinary Care. With the focus on global markets, the company is rapidly expanding into markets of Middle East, Latin America, Asia, CIS, Africa, Europe and USA. A young and passionate entrepreneurial team forms the core strength of the company together with an experienced team of scientific advisory board members, who have in-depth knowledge in international affairs and regulatory concerns. The company has expertise in formulating products in the areas of wellness and cosmetics, bulk drugs and standardized herbal / plant extracts, pharmaceuticals, herbals, dietary supplements and nutraceuticals. The strong foundation of the company is based on the commitment towards quality, sound organization processes and system, leadership and trust with complete transparency for our partners and stakeholders.
