## Welcome To Estocott Pharma Pvt. Ltd.

We at Estocott Pharma happen to be one of the leading developers and marketers of highly advanced and latest pharmaceutical formulations. We are recognized worldwide due to our ability of manufacturing, exporting, and also supplying a wide range of pharmaceutical products in bulk. We are proud to hold the exclusive manufacturing unit of Beta-Lactam and Clave dedicated products that are the best in India. Our range of products include soft gelatin capsules, injectable tablets, oral liquid in both suspension and syrup forms, capsules, external liquids, oral dry syrup, Betalactum products, ointments and creams, shampoos, soaps, nutraceuticals, oral sachets and powder, eye drops, and external powder. Estocott Pharma is one of those rapidly and steadily growing pharmaceutical companies that deals with discovering the latest formulations, developing advanced medicines, marketing these pharmaceutical products and also exporting them to various parts of the globe. Our motto involves developing and distributing best in class drugs at affordable rates to the people of India, which will also be available for the people of the entire planet. With the help of our vast network of distributors and agents, we ensure that out drugs reach out to every corner of the country. We aim at being able to spread our wings so that we can also reach out to all those parts of India that are yet to be explored. We are always on the lookout for newer distributors, sole distributors and franchise.
