Welcome To Excel Pharma

The modern day Indian lives in the age of rapid developments and easy access to vast information. Today’s well aware Indian asks for quality products with reasonable prices. This holds true for Homeopathy as well.There has been increasing awareness and acceptance of Homeopathic products in India. This growing Indian market for Homeopathic products called for a manufacturing facility in India to be established with the aim to provide standard quality products at affordable prices. In his quest to find the right answers regarding the quality of homeopathic medicines, especially the potencies, which are the backbone of all homeopathic prescriptions, Dr. Anukant Goyal felt the need to set up one such facility here. He decided to put to good use his experience and knowledge and produce medicines that are effective and are of super quality.Success of Homoeopathic treatment depends on the skill of the physician and the quality of medicines used. Excel Pharma has again & again emphasized its undeterring commitment to maintaining high standards of quality, product consistency, therapeutic concentration and its outstanding service to customers all over India as well as abroad.It is our endeavor to strengthen the hands of Homoeopathic Physicians by making available to them the best Homoeopathic Medicines.Keeping in mind the requirements of practicing homoeopaths, a large product range has been introduced as following:Close to 500 mother tinctures More than 1850 dilutions in different potencies Homeopathic supporting medicines for all kinds of acute and chronic problems of day to day life like heart disease, obesity, spondylosis, blood pressure, menopause, uric acid, diabetes, hair problems, acne and pimples etc.
