Welcome To Eyeris Vision Care

EYERIS VISIONCARE is an ISO 9001:2015 CERTIFIED COMPANY, Company was incepted in the year 2004 with an aim to offer immense clients satisfaction. We are trying to achieve our mission of serving the people by offering them effective and affordable pharmaceutical drops. Our organization has achieved a noted position of Trader, Distributor and Supplier in pharmaceutical industry which is the result of relentless efforts of our skilled team of experts. With an objective for curing eye related problems, we offer high grade Antibiotic eye drops, Lubricating eye drops, Anti-allergic eye drops ,Soft Gel Capsule etc. At vendor end, experts process the eye drops using clinically approved chemical compounds in order to ensure their purity and immediate results.

With a proficient team of quality controllers and professionals, we are offering bulk eye drops. Our diligent team of experts work hard as per the industry guidelines while undertaking various quality checking processes. Our offered range of eye drops are highly beneficial for treating and curing conjunctivitis, infection, corneal ulcer and post operative inflammation. These Anti-allergic eye drops are in great demand in hospitals and clinics due to their non toxic nature, accurate composition and stable pH value. We are a trusted brand name in the market of pharmaceutical formulations through our time bound services, flexible payment options and premium grade Anti-allergic eye drops
