Welcome To Farmakon Nutrivet

Our vision is completely reflected in our logo & punch line. Farmakon is a short spell of Pharmaceuticals & Consumables and Farmakon is a Greek word meaning Pharmacology, which suggest that as a company we will work in business verticals of Veterinary; Feed & Food Ingredients as well as Additives andPharmaceutical industry. The Blue Plus sign & logo suggests our Veterinary Pharma Identity; the Red Dot is for Human Pharma & Green colouration is for Agriculture & Environmental Care. As a company our vision is to take care of Human Wellness through Animal Wellness. We believe in providing Environmental friendly, Biodegradable & cost effective solutions to Animal Industry to achieve ultimate goal of safe & wholesome food to Humans. We are a team of qualified Veterinarian, Pharmacist & Commercial Personnel with a collective experience of more than 40 Years in Nutrition & Pharmaceutical Industry
