Welcome To Franklin Laboratories India Pvt. Ltd.

“Franklin Lab (India) Pvt. Ltd.”, established in the year 1966, at Ludhiana (Punjab, India) as a Limited Liability/Corporation (Privately Held) is renowned in the market for their abilities of manufacturing, trading, exporting and supplying a wide array of Cough Anticold Preparations, Antimicrobial Preparations, Anti-Spasmodic preparations, Appetite Stimulants, Cardiovascular Tablets, Corticosteroid Tablets, Respiratory Disorders, Cough-Anticold & Antiallergic Preparations, Nutritional Supplements, etc. Furthermore, safe and hygienic packaging has been done by us, with a view to keep away our range from any kind of Infectivity and contamination. Due to our varied ‘modern’ activities, we have leaved our grand impression upon the customers. Our unwavering commitment to serve the health care industry and provide sound health to all our patients has made us leading medicines provider for the treatment of different ailments. We have developed highly sophisticated and state-of-the-art infrastructure, which is spread over an area and are equipped with all the requisite facilities. Latest techniques and tools are installed in our products unit that facilitates us to produce our range Medicine Products according to the specifications of our esteemed clients. Our entire infrastructure unit is segregated into varied departments such as manufacturing department, quality control department, administrative department, sales & marketing department and various others. All these departments perform their task with great co-operation in order to achieve the objective of the organization. Our quality controllers stringently examined the quality of the products at each and every stage, so as to provide our clients effective and pure products. We conduct market research, with a view to comprehend the latest market tendency and make an effort to accomplish

them accordingly. Growth and success of any organization depends upon the effort of team members. For this, we have appointed a team of highly experienced and skilled team of experts, who possess great knowledge and experience in their relevant working domain. Our quality controllers ensure that products offered by us are as per the global quality standards.
