Welcome to Frentis Healthcare Private Limited

The great PCD healthcare company Frentis Healthcare Private Limited, having its base in Mumbai, Baddi and Barnala, Punjab, strives to make quality pharmaceutical products available all over India.

Frentis Healthcare was born from this deep-rooted commitment, combining decades of experience in the pharmaceutical industry with a vision to create medicines that not only cure but also contribute to a healthier, more auspicious life.

Our name, Frentis, reflects our dedication to crafting medicinal drugs as pure and beneficial as nature’s gifts. We believe that medicine should be more than just a treatment; it should be a positive force for well-being.

Our Commitment

At Frentis, we adhere to the highest standards of quality, employing rigorous processes and leveraging the expertise of seasoned professionals. Our commitment to purity, efficacy, and patient well-being is the foundation of everything we do.

We understand the trust patients and practitioners place in us, and we strive to exceed expectations with every product we deliver.

Our Products & Innovation

Providing a strong emphasis on innovation, affordability, and excellence, Frentis Healthcare Private Limited includes a varied range of medicines such as tablets, capsules, syrups, injections, and other healthcare solutions. In this particular region, Frentis Healthcare becomes one of the finest pharmaceutical companies; each of its products complies with very stringent quality standards and regulatory requirements.

The company is continuously striving towards new and effective formulations through the latest manufacturing units and a dedicated research team. It offers amazing PCD franchises where partners can set up a successful business in their area and be assured of reliable support with very high-margin products.

Our Values

Customer satisfaction and ethical business practices make up the parenting pillars of Frentis Health's operations as they assure long-term trust and collaboration. For this, the company constantly puts all its products accordingly to GMP and WHO standards. It has built an extensive distribution network that will deliver timely availability of medicines across various regions.

Our Mission

Frentis Healthcare is on a mission to broaden the frontier of healthcare accessibility using affordable yet premium pharmaceutical solutions. It forms a perfect alternative for medical practitioners and their distributors, business partners, and associates because of the quality, commitment to excellence, customer-centric approach, and professional expertise.

The company believes in growth, continuously adapting to techniques and advancements that the pharmaceutical industry offers to provide cutting-edge solutions.
