## Welcome to Gallium Pharmaceuticals Private Limited

Gallium Pharmaceuticals Private Limited is known as the industry's topmost trading house that is engaged in the export and supply of pharmaceutical products. Based at Nandanwan (Nagpur), the company recognized as a dependable exporter of Pharmaceuticals Tablets, Pharmaceuticals Capsules, Pharmaceutical Eye Drops, Alprostadil Injection, and Cernos Gel. We have been successfully catering to global need with a number of branded and high-quality tablets, capsules, eye drops, and other pharma products. All the pharmaceutical products, we bring forward, are sourced from the certified and experienced pharma manufacturers, who follow pharma manufacturing guidelines to meet the specific needs of a particular country. Established in the year 2017, Gallium Pharmaceuticals Private Limited has been holding the frontrunner position in the domain of pharmaceutical product exports. We have been serving the clients in all major continents including America, Africa, Europe, Asia, The Gulf, Australia etc. Buyers in these continents prefer us for delivering the products on a timely basis and in a safe manner.
