Welcome to Gammy Health Care

Gammy Health Care is Roorkee, Uttarakhand (India) based company. Piyush Mandhar is the CEO and founder of the company who holds B. pharma and M. pharma (pharmaceutics) degree. The company was established in August 2016 with the motive to provide a rich variety of Animal Healthcare Products and veterinary medicines. We are engaged in manufacturing, trading and supplying a wide range of medicines and animal /cattle feed supplements. Our mission is to provide services and value-added solutions for customer delight without compromising ethics and principals. Own manufacturing units enable Gammy Health Care to offer customer-specific formulations and quality Feed Supplements. This is what makes our products the best and popular in the domestic market. Furthermore, our products have received the mandatory quality certification and thus, are safe to be used on animals. To provide good health and to treat various diseases of different animals these medicines and Healthcare Products are used.
