Welcome To Gaurja Bioremedies

Gaurja Bioremedies is an integrated pharmaceutical and life sciences company engrossed in manufacture, supply, and export, distribute & wholesale of pharmaceutical products. We are working hard for benefiting the worldwide humanity suffering from various diseases, we aim to provide our medicines in every nook and corner of the globe and are also continuously engaged in process/ systems improvement to enhance the quality of the products at affordable prices. Our marketing office is situated near Chandigarh in Yamunanagar, Haryana. Our medicines are quality tested as per the stringent quality standards to ensure their purity and high effectiveness. Backed by an advanced processing unit, we are able to fulfill the bulk requirements of our clients in the most hassle free manner. Our professionals formulate these medicines under the most hygienic conditions and pack these medicines using premium quality packaging material. Apart from this, the offered range is available in various quantities as per the varied needs of our clients. Moreover, to make our products perfect in each and every aspect, we go through various in process quality checking processes. We at Gaurja Bioremedies are business enablers and continuously facilitate the young entrepreneurs to associate with us for fruitful business initiatives. The company is promoted by the dynamic and enterprising chemical engineers and management graduates with a 30 years+ of wide experience in pharmaceutical manufacturing and establishing marketing network across India. Our business operations are managed by experienced team, who ensures that all the activities should be conducted as per international quality standards. Our sharp business acumen and strong hold in the market has enabled us to maintain our credible position.
