Welcome to Gepach International

We are an integrated pharmaceutical company producing a wide range of quality products that have earned the trust of the medical fraternity and consumers in many countries. Gepach International, established in the year 1992, envisions delivering to the world effective, high-quality, and value-for-money products. Over the past so many years, we have transformed ourselves to become a manufacturer, marketer and collaborator for our products in the International Market. Today we have products registered in the Russian Federation, Ukraine, Cambodia, Romania, Sri Lanka, Yemen, Morocco, and Azerbaijan. We are collaborating with the largest distribution companies in the Russian Federation to reach every corner of the largest country in the world. We have successfully begun activities in Southeast Asia and Africa. With our strong sourcing and manufacturing base in India, we at Gepach are able to deliver high-quality products at competitive prices. The World Health Organisation (WHO) certifies all partner facilities of Gepach International, and our products meet the most stringent quality standards set by the WHO.
