Welcome To Glint Cosmetics Private Limited

Every year Glint products are exported to a wide range of markets including Middle East, Africa and Europe. With a range of over 1000 personal care products including brands like 7 wonders, Debest, Reniala, Lykis etc to name a few we touch the lives of millions of customers worldwide with herbal - natural personal care products made from plant extracts, nutrients extracted from nature. Nature gifts us with its bounty and we gift ourselves to you. To us, your success is a benchmark of a kind. The country's liberalization brought enormous change in the economy. While there were new opportunities, new challenges came along. Some were deterred by the challenges while others were excited at the opportunities regardless of the challenges. Glint is a product

of that opportunity. We began operations in its current form in 2005 at Navi Mumbai. A classic story of evolution from a small window of opportunity as a contract manufacturer to metamorphosis into a world class manufacturer of cosmetics.
