Welcome to Global Perfumes Company

Welcome to Global Perfumes Company, your gateway to the world of exquisite fragrances. Established in the vibrant city of Mumbai, Maharashtra, in the year 2021 by our visionary founder, Mr. Hammad Syed, we are proud to be a dynamic force in the fragrance industry. Global Perfumes Company is dedicated to creating, supplying, and exporting premium Attar, offering an olfactory journey that captures the essence of luxury and tradition. At Global Perfumes Company, we believe that fragrance is an art form, a powerful means of self-expression, and a bridge to cultural heritage. Our commitment is to craft Attars of exceptional quality, each one a testament to our passion for scent, precision in production, and reverence for tradition. Our product range includes a captivating array of Attars, each carefully curated and expertly blended to awaken the senses. Attar, a traditional and highly concentrated form of perfume, is a reflection of our commitment to preserving the art of perfumery. We source the finest natural ingredients and employ time-honored techniques to ensure that every drop of Attar we create is an olfactory masterpiece. What sets us apart is our unwavering dedication to quality and authenticity. We take pride in our Mumbai-based manufacturing facility, where experienced artisans meticulously craft each Attar. Our commitment to ethical sourcing and sustainable practices ensures that our products not only delight the senses but also respect the environment and the communities involved in their creation.
