Welcome To Gnosis Pharmaceuticals Pvt. Ltd.

Gnosis started with a simple dream - to help people live longer and healthier through quality healthcare. Committed to improve the quality of life of people across the world, we made a humble beginning in 2007. Since then, we have kept patients at the helm of everything and relentlessly worked towards manufacturing superior medicines and other pharmaceutical products, maintaining pace with the global medical scenario and evolving needs of the industry. Fuelled by incessant innovation and strengthened by a robust Research and Development team, we aspire to spearhead the curative and preventive healthcare sectors, make our products more accessible, create value for our products, and most importantly make a positive difference to patients. One of the leading pharmaceutical companies in India, Gnosis employs avant-garde technology and high-quality raw materials to manufacture a diverse range of medicines, OTC formulations, food supplements and other pharmaceuticals products in conformation with Schedule M and WHO-GMP guidelines. The product range includes Beta and Non-Beta Lactum tablets, Capsules, Liquids, Dry syrups, Topical Preparations such as Cream, Ointment, Lotions and Medicated Shampoos. Besides manufacturing and marketing over 900 products under our own brand through an extensive network spread across 22 Indian states, we manufacture more than 900 pharmaceutical products for our vendors, who sell them under 6500 different brands. Having made significant inroads into the domestic markets and created better medical opportunities for patients, Gnosis is prepped to explore new waters and emerge as an international powerhouse.
