Welcome to Gogia Fragrances

Being the cream of the crop in the Fragrance Industry, Gogia Fragrances has established and maintained its position and reputation as a renowned name for its innovation, creativity, quality and services. Gogia Fragrances was established in 1966 by Mr. H. N. Gogia with a vision of becoming an innovative pioneer in manufacturing cold pressed orange oil in an eco friendly way. Under his dynamic and inspiring leadership the organization started developing fragrance for domestic market and in no time tasted success to become a leading Indian Company in its domain. Currently Gogia Fragrances Pvt. Ltd. handles more than 5000 satisfied clients in more than 30 countries worldwide. As the company matured, the thirst to achieve more grew and Mr. H. N. Gogia was joined in his quest by his two sons. With the renewed power and vigor the company looked for newer avenues & bigger thrust .The Company entered into the domain of the Fragrance Industry and started developing & manufacturing Fragrances, Aroma chemicals and Essential oils.
