# Welcome to Gojesty Healthcare

## Gojesty Healthcare Overview

Gojesty Healthcare is a prominent player in the Indian pharmaceutical industry, specialising in Propaganda Cum Distribution (PCD) franchise and Third-Party Manufacturing (Contract Manufacturing) services. Our mission is to enhance healthcare standards by providing high-quality, innovative, and affordable pharmaceutical formulations.

## Product Offerings

We offer a comprehensive portfolio of products, which includes tablets, capsules, syrups, injections, ointments, protein powders, nutraceuticals, and herbal formulations. All products are produced in facilities that are certified by WHO-GMP and ISO standards, ensuring adherence to global quality and safety standards.

# Pharma PCD Franchise Program

Our Pharma PCD Franchise program is designed to empower distributors, medical representatives, and entrepreneurs by providing them with exclusive monopoly rights and extensive promotional support. We aim for mutual growth through transparent business practices and a reliable supply of products.

## Third-Party Manufacturing Services

In our Third-Party Manufacturing segment, we provide comprehensive contract manufacturing solutions. This encompasses the entire process from product development and formulation to packaging design and timely delivery. We cater to both well-established brands as well as emerging pharmaceutical companies eager to broaden their product offerings without the need for significant investment in manufacturing infrastructure.

## Key Highlights

- Production facilities that are WHO-GMP and ISO 9001:2015 certified.
- A diverse range of formulations approved by DCGI.
- Strong research and development support to foster product innovation.
- Competitively priced products coupled with superior quality assurance.
- Options for customised packaging and private labelling.
- Assurance of timely delivery and a dependable supply chain.

## Vision and Mission

Our vision is to position Gojesty Healthcare as one of the most trusted and innovative pharmaceutical companies in India, with a focus on enhancing healthcare accessibility and quality for everyone.

We are committed to delivering safe, effective, and affordable medications, driven by ethical business practices, continuous innovation, and a dedication to customer satisfaction.
