Welcome To Goodcare Pharma

Goodcare Pharma Pvt Ltd was established with a vision to introduce new-age herbal medicines that are ayurvedic, herbal, probiotics, antioxidants, nutraceuticals and phytonutrients. In Goodcare pharma a group of talented R&D Scientists are constantly endeavouring to implement all advanced pharma techniques so that the ancient age old wisdom of ayurveda is firmly validated by the latest techniques of modern science. The slogan of Goodcare Pharma therefore is "Authentic Ayurveda Our state-of-the-art manufacturing plant at Bagi, Bishnupur in West Bengal, India, is set in the middle of a vast garden, housing several rare species of medicinal herbs. We also have a second unit in Gurgaon, New Delhi.Goodcare is the brainchild of Mr RK Sharma, who has also developed the world's first portal on Ayurveda, allAyurveda.com. Today, authentic Ayurveda is just a mouse click away for millions of people around the world.
