Welcome To Green Lab Healthcare

An ISO certified pioneer trader in the field of Pharmaceutical Products was established in 2012. Our journey became more interesting as we tied up with the state of art manufacturing unit. Serving everything from Tablets, Capsules, Syrups, Pharmaceutical Injection, Dry Powder Injections, Mouthwash to Gel under one umbrella has been the uniqueness of us. We soon got WHO-GMP certification for our factories. It's been 40 years and still counting... holistic research policies and complete knowledge of the market has helped us in achieving up specialization and coming with various types of pharmaceutical formulations which became the cure for varied health problems.
