Welcome to H.M.K. & Sons

H.M.K. & Sons is a family-owned manufacturing business located in the heart of Bengaluru. With a focus on creating exceptional products, we specialize in handmade natural soap, Bakhoor, and enchanting incense sticks. Our commitment to artistry and dedication sets us apart, and we take pride in offering exquisite products that bring joy and luxury to our customers. H.M.K. & Sons is more than a manufacturer; we are curators of craftsmanship, guardians of tradition, and champions of quality. With a heritage rooted in excellence, our products carry the legacy of generations dedicated to perfection. We believe in fostering a connection between nature, tradition, and modernity, resulting in products that resonate with both the past and the present. At H.M.K. & Sons, we understand that scents have the power to awaken emotions, evoke memories, and create atmospheres. Our commitment to quality craftsmanship and our reverence for nature drive us to bring you products that are not just fragrances or décor, but experiences that enrich your life.
