Welcome To Hanuchem Laboratories

Endowed in 1996, Hanuchem Laboratories is the most assuring manufacturer, trader, exporter and supplier existence that has been producing techno scientific Pharmaceutical Drugs. With a purpose to make myriads of lives healthier, we are actively conducive in offering an extended range of Human Division, Veterinary Division and Eye Ointment and Eye Drops which have awarded us an ISO 9001:2008 certification. We buy in trust and that is why we endeavor to offer products that are prepared by using authorized technology and packaged under the sterile condition which produce high potency, and can be availed at a competing price. Due to our excellent product portfolio and most evenhanded price, we have created an immense repute in the industry and a long-term partnership with our respectable clientele. We export our products in Ethiopia and Russia. The pillars of our association with our customers are based on honesty and clarity. Each day, an enormous amount of consumers gain outstanding services from our team of highly encountered specialists who are specifically trained to analyze and manufacture highly effective pharmaceutical products. The offered range of drugs are much appreciated for purity, accurate composition, quick relief and long lasting effect owing to their testing with HPLC, I.R, and U.V. Spectrometer and Humidity Chamber at our quality testing unit. Our thorough workforce has expertise in the wide diversity of fields such as administration of a huge inventory by leveraging the technological progressions and a watchful approach for causing high potency pharmaceutical drugs to recognized clients such as Indoco Remedies Ltd.-Mumbai, Entod Pharmaceuticals Ltd.-Mumbai and Raymed Pharmaceuticals Ltd.-Chandiga
