## Welcome To Health Guard (India) Pvt. Ltd.

Health Guard India Pvt. Ltd. is one of the premier pharmaceutical manufacturing and marketing companies of North India that is reputed for delivering high quality pharmaceuticals specialties. We are an Indian enterprise molded by global aspirations. We work with a long-term organizational vision so as to build durable, everlasting and ever-growing professional relations. Out staunch focus on establishing as well as maintaining strategic alliances enable us to get the best understanding of our clients' requirements. Thus, we create a symbiotic relationship that benefits both, our clients and us. We operate in an excise free zone at Baddi (Himachal Pradesh) and manufacture and marketing a host of pharmaceutical products like Tablets, Capsules, Soft Gelatin, Dry Syrup, Liquid as well as Dry Injections, Ointments, Eye Drops, Food Products, Herbal Products, Sex Products and Nutritional Supplements, etc. Our products span between a vast range of conventional molecules and latest molecules. Our products are being manufactured under strict WHO-GMP certification with the latest equipment and the most skilled work force, thus ensuring our commitment to deliver high quality product in the timeliest manner. We also extend our services like P2P manufacturing, third party manufacturing, and time-bound export orders. We deliver with the assurance of saving you the time and botheration regarding manufacturing processes, thus multiplying the possibilities of your business growth exponentially. Health Guard Indian is a pharmaceutical endeavor that started more than 2 decades ago, backed by promoters who are thoroughly pharma people. This makes us a company that is populated by these dedicated experts who have been rendering their services for more than 20 years to this field of manufacturing and marketing. And this endeavor still continues to deliver ace

quality and seamless excellence in the same.
