Welcome to Herbalcure Research Institute

Established in **1995**, Herbalcure Research Institute has been a trusted name in the Ayurvedic and herbal healthcare industry for over **25 years**. We combine the wisdom of traditional Ayurveda with modern manufacturing practices to develop high-quality herbal formulations that promote healthier living in India and across the globe.

Our products are manufactured using authentic Ayurvedic formulations under **AYUSH-approved** and **GMP-certified** manufacturing facilities. Every product undergoes stringent quality checks to ensure safety, purity, and consistency.

We offer a comprehensive range of Ayurvedic products, including syrups, capsules, herbal oils, powders, and proprietary herbal formulations. In addition to manufacturing, we specialize in **Third Party Manufacturing** and **PCD Ayurvedic Franchise** services, helping businesses establish and expand their Ayurvedic brands across India.

Serving over **300 clients and distributors**, we have built long-lasting relationships based on trust, transparency, quality, and ethical business practices. Our mission is to promote traditional wellness through scientifically manufactured herbal products without compromising on quality, safety, or regulatory standards.
