Welcome to Herbalcure Research Institute

For more than 25 years at Herbalcure Research Institute, the Company has striven to bring forth genuine solutions.

Founded in 1995, the institute stands with a central philosophy of bringing together the wonderful benefits of classical Ayurvedic knowledge with modern quality systems for the betterment of living spheres in India and beyond.

Firmly based in the age-old healing tradition of India, the company has been serving Ayurvedic medicines to over 300 clients and distributors. The medicines are made as per classical Ayurvedic recipes and methods authorised by renowned Ayurvedic doctors and Naturopaths, and AYUSH-approved manufacturing units. Third-party manufacturing for Ayurvedic medicines and PCD Franchise opportunities are offered all over India. The large variety of medicines taught

includes syrups, capsules, oils, and powders, which are produced in GMP-certified units with mechanisms for quality checks and supported by research. To uphold the cause of Ayurveda on a global scale without compromising on safety and standardisation of herbal formulations. A family business, customer-oriented with a long history of partnership established on the grounds of credible business, transparency, and fair trade. Whatever Herbalcure endeavours, it will aid in helping you in establishing your Ayurvedic brand, promoting your distributors, or even in considering the creation of a trustworthy partner. So, Urge Traditional Wellness into the Late Modern World-together.
