Welcome to Herboveda Nutraceuticals

Herboveda Nutraceuticals has emerged as a global enterprise of Pharma and Food Ingredients since its inception in 2013. We rank among the leading Supplier of Herbal Extracts, Vitamins and Nutraceuticals. We are a recognized Importer of high-quality Chinese Extracts and Amino Acids. Believing in the best of Mother Nature, we provide world-class extracts to our industry partners. Our diverse product range provides best-suited ingredients to companies producing health supplements.We believe in strictly following Product and Process and sticking to quality standards from the stage of basic raw materials to final products. We constantly monitor quality at every stage from procurement to delivery. Creating value for its clients has always been top priority for every individual working here and that has been manifested at every stage.As a team we view customer service primarily as an act of responsibility, and not merely an act of generosity. The oxygen to our photosynthesis is the trust our customers place in us.
