### Welcome To Herbs and Crops Overseas

Established in the year 2013, Herbs & Crops

Overseas is engaged in the exporting and manufacturing of

Fruit Powder, Herbal Powder etc. Our herbs, which include

the likes of which include the likes of henna, amla and tulsi,

are processed through the application of advanced

technology, and under the guidance of quality experts. These

powdered herbs are widely used by various Pharmaceutical,

Cosmetic and Food Processing companies for the

formulation of medicines, personal care products, vegetable

dyes, dietary supplements and natural fertilizers, etc. We

manufacture these products under the brand Herbs &

Crops. Appreciated for their purity and strength, our herbs are

exported to various regions across the world including USA,

Europe, Middle East, Canada, Australia and Russia.
