Welcome To Hester Biosciences Limited

Hester Biosciences Limited is one of India's leading animal healthcare companies and second largest poultry vaccine manufacturer. Mr. Rajiv Gandhi, a first generation entrepreneur founded Hester in 1987 and successfully transformed a small proprietary trading business into Asia's largest single-location animal biological manufacturing facility. The Company's key strength is embedded in its cutting-edge research and development capabilities. Located near Ahmedabad, Gujarat, Hester has a state-of-the-art manufacturing facility for products ranging from vaccines, health products to diagnostics. Hester's services include seroprofiling for poultry flocks and mastitis control programs

for cattle. The four verticals: Poultry Vaccines, Large Animal Vaccines, Poultry Health Products and Large Animal Health Products, together establish Hester's identity as a strong animal healthcare company, addressing all sectors of animal healthcare. Hester's product portfolio includes over 50 vaccines and 35 health products.
