Welcome To Himalaya

Himalaya's story began way back in 1930. A curious young man riding through the forests of Burma saw restless elephants being fed the root of a plant, *Rauwolfia serpentina,* which helped pacify them. Fascinated by the plant's effect on elephants, this young man, Mr. M. Manal, the founder of Himalaya, wanted to scientifically test the herb's properties.Today, the Himalaya brand is synonymous with safe and efficacious herbal products. Starting off operations in Dehradun way back in the 1930s, the company later spread its wings to Mumbai and across the country. In 1975, the company set up an advanced manufacturing facility in Makali, Bengaluru, India. In 1991, the company relocated its R&D facility to Bengaluru.We operate in over 90 countries, our products are prescribed by 400,000 doctors worldwide, and millions of customers trust us for their health and personal care needs.Himalaya Global Holdings Ltd.
