Welcome to Hind Pharmaceuticals

We, Hind Pharmaceuticals, are authorized distributors for some of the leading Indian as well as Multinational Pharmaceutical Companies. We have been in the specialty-cum- service-oriented pharmaceutical distribution business for over 20 years. We believe in on time service in a cost effective process. Our clientele includes some of the leading corporate houses, hospitals and institutions across the country and reputed chemists all over India. Lifesaving drugs are more than often imperative. Demand for drugs of some of the critical care and super speciality segments like Oncology, Nephrology, Virology, Anesthesiology, Critical Care & Cardiology along with those imported Critical Care Medicines are always on a high, which calls for a special attention and a well-organized effort for fulfilling the said. With our best team on the forefront, we assist high profile Health Care Professionals and the Institutions in saving the precious lives by adapting to 24x7 service window to ensure patients are not deprived of best medicine during any event.
