Welcome to HoneyDrugs

We, HoneyDrugs, take immense pride in presenting ourselves as a prominent and industry-leading manufacturer and Exporter, dealing in a wide range of fine chemicals, API intermediates, pharmaceutical intermediates and speciality chemicals in the domestic as well as international market. Our core expertise lies in offering quality-proven bulk Drug intermediates. HoneyDrugs was formed in the year of 2015 as an unconventional distribution company, involved in global supply of quality pharmaceutical ingredients. Today, our products are widely recognized in both the domestic and international markets for their long shelf life, excellent efficiency , unmatched quality. We are specialized in providing full sourcing solutions for pharmaceutical products from India, including technical and regulatory support. The company has always strived to achieve global standards in the field of pharmaceuticals through its unconventional ideas and creating a niche for itself, through new cost optimization methods by understanding current market needs. Our technical staff is available 24 x 7 to answer any questions you may have regarding our products.
