Welcome To Iatric Pharmaceuticals

Iatric Pharmaceuticals is an entrepreneurial venture conceived with sincere aim to provide top quality medicines keeping in mind the sensitivity of nature of pharmaceutical products and their impact on a human life. We are based out of Baddi in Himachal Pradesh, a pharmaceutical hub of North of India. The promoters of this venture have a vast experience in Pharmaceutical industry and approve the need to source and provide impeccable products to its customers so that above aim takes the center stage of Iatric operations. We are a leading pharmaceutical group headed by an experienced management, highly adept in the industry of PCD. With the acumen of our top leadership, insight of the founding visionaries, proficiency of our administration and

expertise of our staff, we have grown steadily and carved a unique name and place for ourselves, in the highly competitive arena of PCDs. High moral ethics form the core of our being/ company as we understand the value of providing pure products to our consumers. In the field of health and wellness, we understand the imperativeness/ importance of quality and thus do not allow any kind of compromise at any stage of our products lifecycle. We are a renowned brand name by virtue of the vast range of our superior quality products manufactured from high-grade chemicals, proteins, vitamins, minerals and other superior ingredients while giving precise consideration to their compositions under the guidance of our Quality Control Management Teams. Our unflinching commitment towards quality and matchless expertise in utilizing cutting edge technology has gained us a global recognition, especially in the field of injectable. Our products range from advanced antibiotics to general health care goods, all manufactured as per their exact formulations safely, reliably and in an eco-friendly manner
