welcome to Indian Pharma Network

Indian Pharma Network helps in accessing new products in India. These products are launched and approved recently in USA or Europe but yet to be approved in India. We help in accessing these new launches through named patient import. Indian Pharma Network is a group of highly qualified professionals of pharmaceutical Industry Having more than 20 years of experience of Specialty Pharmaceutical distribution. Supplying innovator and generic products at the most competitive prices. Delivering the right drug to the right patient / institution at the right time across globe. Dedicated to service patients, the medical community and healthcare industry.
