Welcome to INDKUS BIOTECH

INDKUS is the product of foresighted vision of its founder father "SHRI INDER RAJ BHATIA", of SARGODHA. "SHRI INDER RAJ BHATIA" had been the pioneer in the field of Pharmaceutical Business for more than Six decades. His sheer hardwork, dedication and knowledge put together with his foresightedness ensured the constant growth of his Pharmaceutical Business and he made his indelible mark in this field; be it wholesale, retail or Manufacturing. As we all know that there is a saying "BEHIND EVERY SUCCESSFUL MAN THERE IS A WOMAN" and that was our beloved mother "SMT. KAUSHALYA DEVI". Therefore "IND-KUS" (Inder Raj and Kaushalya) came into existence so very appropriately. Following the footsteps of this great visionary our chairman "SHRI BHARAT BHUSHAN BHATIA" MD. "SHRI KAMAL BHATIA" have been driving force behind this mamoth task of taking this company to present heights and farther ahead. Our moto has been "GROWTH WITH QUALITY MEDICINES AND SERVICE TO THE MAN KIND". Their constant endeavour has always been to serve the ailing through best quality products (both Allopathic and herbal) at reasonable cost with the help of innovations, research and development for the optimum benefit of the patients. Our company always puts "Customer Care and Customer Satisfaction" before everything.
