## Welcome to Induja Pharma Pvt Ltd

Induja Pharma is a market-leading pharmaceutical company that specializes in the manufacture and distribution of a wide range of healthcare products, dedicated to developing high-quality health products. Specifically, the company meets pharmaceutical quality standards that ensure safety and efficacy in pharmaceutical development and ends with distribution. It has a portfolio covering generic and branded medicines and has made a strong footprint both in the domestic and international markets. The company is ingenious in its approach and continuously adds more products into its already existing wide basket to meet evolving needs in health care. It aims to improve the quality of life by offering healthcare solutions that are economically viable and accessible to people worldwide.
