Welcome To Innova Captab

Innova Captab was started in the year 2006 by two brothers, Mr. Manoj Agarwal & Mr. Vinay Agarwal with a strong vision to become one of the leading pharmaceutical contract manufacturing company in India. Innova Captab is a well established professionally managed company. It has good presence in both Domestic & as well as the Export Market. Innova Captab has set-up two plants at Himachal Pradesh in excise and pollution free zone, amongst lush green surroundings. The facilities are well equipped with latest plant machineries, instruments & equipments. The entire project has been designed in such a manner that it complies with the cGMP requirements / guidelines of US Food & Drug Administration (US FDA), UK MHRA, World Health Organization (WHO), European union regulations, Schedule-M requirements of Indian Drugs & Cosmetics Act and other relevant regulations.
