## Welcome to Innpharx Research Pvt. Ltd.

INNPHARX Research, a privately held, research-based biopharmaceutical company. We develop high-quality, innovative biopharmaceutical products. Innpharx is committed to developing innovative and affordable products to address unmet medical needs. Our main research focus is in the area of drug delivery systems and biologicals. Our pipeline includes drug delivery systems (DDS), prescription generics, diagnostics, and biological products. Our talented and quality focused scientific team members work together to bring our innovative, affordable, quality biopharmaceutical products from concept to commercialization, using a quality driven scientific approach.
