Welcome To INNRISE BIOTECH PVT.LTD.

Innrise Biotech Pvt. Limited is a well-established Indian PCD pharmaceutical company situated at Sethi Enclave, Naraingarh Road, Baldev Nagar, Ambala City. The company has been known to offer Pharma Franchise businesses across PAN India so that they can start their own successful businesses in the pharmaceutical field. It is also a trader and supplier, with a complete range of qualitative pharmaceutical products, including tablets, capsules, injections, and syrups. All of these are aimed at serving diversified health needs. Innrise assures that all the products are made strictly available in terms of quality. Innrise Biotech Pvt. Ltd. believes to innovate, to stay reliable, and to keep the customer satisfied to deliver enhanced accessibility to healthcare in the country. It keeps a long tie with franchise partners and extends seamless assistance for mutual growth. We want to become a trusted name in the domain of pharmaceuticals so as to use decades of our experience in the industry to do so. Make healthcare solutions available and affordable for all while maintaining the highest ethical standards and professionalism possible.
