Welcome to International Health Care Limited

Animals mean the world to International Health Care Limited, the crown among animal healthcare products manufacturers in India and a part of pioneering PVS Group instituted in 1993 by Dr. Seshaiah V Pamulapati, Founder Chairman Managing Director. From Herbal Formulations/ Immunomodulators and Probiotics Formulations (also single strains), Oral Antibiotics to Anticoccidials and Dewormers, and Disinfectants and Sanitizers, when it comes to absolute care of fauna…
