Welcome to Intexmatrix

I am happy to introduce my company M/S, Intexmatrix , functioning at coimbatore, tamil nadu. INDIA. Intexmatrix started in 2002 having enough knowledge and years of experience in the dealing and exporting wide range of Super Speciality Pharmaceuticals, Surgicals Products and CDC / EPA Registered Disinfectant Chemicals. Intexmatrix is a professionally managed fast growing company among the spectrum of Indian pharma companies, that are spreading their wings across the globe. The organisation strives to discover, develop and successfully market innovative super speacality drugs. Our goal is to focus on developing and marketing innovative products addressing unmet medical needs. We are a pharmaceutical company focused on the development and commercialization of important medicines to address serious diseases treated by physician specialists, in areas including hospital settings.The values on which we have built our business: Customer focus, quality, passion, continuous improvement, courage, teamwork and integrity, are important assets to us.These values are evident throughout Intexmatrix the way we conduct our business, the way we communicate with our various customers and in the manner in which we relate to one another.
