Welcome To Intra Life Private Limited

At INTRA LIFE, the practice of Medicine is an art, not a trade; a calling, not a business; a calling in which our heart will be exercised equally with our head. Established since 2011, INTRA LIFE has become one of the leading Indian Pharmaceutical Company, manufacturer and distributor. We offer a wide portfolio of over 2000 formulations. Today we specialise in manufacturing therapeutic solutions that improves the lives of patients, whether it is by fighting infections, controlling cholesterol, relieving the symptoms of asthma, treating gastrointestinal conditions, addressing infertility problems, or providing lifesaving injectable medicines, innovative pain management solutions as well as other symptomatic conditions treated by specialist. We also have a strong pipeline of innovative medicines at various developmental stages and in addition are actively investigating novel uses for existing treatments. Since its inception, INTRA LIFE has relentlessly pursued the most innovative and expert talent across a wide variety of products, dosage forms and delivery mechanisms resulting in a Research & Development team the company believes is without equal in the industry. INTRA LIFE's dedication to excellence keeps it at the leading edge of manufacturing technology. We invest in the absolute best quality facilities, equipment, technology and talent to ensure the seamless production of our products. Our "Quality-by-Design" approach brings a level of consistent excellence throughout the development process and solidifies the bedrock of excellence behind each of its products. We offer medicines manufactured at state of the art facilities, which have been approved by major regulatory agencies. With the health and wellbeing of patients at the centre of everything we do, we

enthusiastically embrace collaboration with our channel partners to help fulfil the requirements of unmet medical needs. As the biggest supplier by volume and range, we know that patients all across the country rely on INTRA LIFE for their medicines. We take that responsibility very seriously. From packaging to distribution, all through our supply chain, we're focused on making our medicines accessible to healthcare professionals and ultimately onto patients. We follow industry-recognised Good Manufacturing Practice, meaning the highest standards of quality and safety are applied throughout the packaging process. From the tablets/capsules/syrups/ointments/soft-gels/injectables/ inhalers arriving in bulk containers to the final medicine boxes being stored on the pallet ready for shipping, our packaging experts oversee every stage. INTRA LIFE's primary distribution facility is strategically situated in India in Bengaluru. Our supply chain processes and world class warehouse facility is having the expertise to handle distribution and supply chain impeccably and is fully supportive to deliver seamless supplies of medicines catering the entire South and middle India. Our two other dispatch points is situated at Ghaziabad and Kolkata to enable fast and flexible logistics network and supplies to the North and North-east Zone.
