Welcome to J. & J. Dechane Laboratories (P) Ltd
Over 90 years ago, J. & J. Dechane Laboratories (P) Ltd., was founded in 1917 in Hyderabad, India, by the late D. F. de Souza, a man born before his time, who combined in a unique fashion, great vision, with vast knowledge of the different systems of medicine. D. F .de Souza sought to combine the best in all the three systems of medicine- modern, allopathy, ayurveda and homeopathy. His aim was to provide effective drugs for India's masses, with minimal side effects and at low cost. Herbo- mineral medicines, the result of his untiring efforts and single minded devotion was an array of over 50 unique preparations, designed to treat common ailments, and providing efficacy, safety and economy.
