Welcome To Jameson Pharma

We are a Una (H.P) based team of highly skilled professional who holds vast experience in the speciû eld and have excellent records. Our professionals are responsible for the whole manufacturing process and ensuring the production of quality products. Our products are appreciated for their accurate composition and eû cienc and are used in various hospitals and prescribed by physicians for treatment of various diseases. Offered range of products is available in different packaging options at nominal prices. This has made us stand among the top 10 Pharma companies in India. If you are looking for a product in a reasonable price bracket, without compromising on the quality, then Jameson Pharma is the right destination for you. We believe that if we take care of present we inspire a better future where we ensure a healthy nation and we give birth to a healthy world. We are not only careful about safety and eû cac of our products but also the way that can be administered by patients themselves. We have a challenging and inspiring mission to improve the quality of human life by enabling people to do more, feel better and live longer. This mission gives us the purpose to develop innovative medicines and products that help millions of people around the world. We care about the impact that we have on the people and places touched by our mission to improve health around the world. Our vision is to be a leading pharmaceutical company in India and to become a signiû can global player by providing high quality, affordable and innovative solutions in medicine and treatment. We believe that complete customer satisfaction is the key to expand

Business. Our vision is to become an Advanced Technology & Research based Contract Manufacturing Pharmaceutical Company to emerge out as an intellectually strong player in domestic as well as in international market.
