Welcome to Jasmine Healthcare

We were founded by live wire marketing enthusiast in 2010, which is one of the leading healthcare company Our journey started with establishment of small marketing office in Chennai, with just 9 products to cater the requirements of medical fraternity, Soon in 2014, we enhanced our product range to 70 new molecules in market, With exceptional success in GYNEACOLOGY AND ORTHOPEDIC segments, We were emerged as fastest growing company for consolidating our position in Andhra & Telangana, We have established third party manufacturing tie-up with ultra

advanced manufacturing facility as per WHO GMP & ISO 9001:2008 certification.
