Welcome To Jenburkt Pharmaceuticals Ltd

Way back in the twentieth century, even before the word 'entrepreneurship' could be coined, Shri Nandlal Mulji Bhuta laid the foundation for several group of companies and philanthropic work.Through constantly disrupting the balance of competition, efficient use of resources and capital, taking measured risks, channeling processes and delivering excellence in life sciences, today Jenburkt is respected and commended both, nationally and internationally.With a clear purpose and process in place, Jenburkt is fast growing in the field of healthcare and pharmaceuticals. It is engaged in manufacturing and marketing of specialty and high quality pharmaceutical formulations and healthcare products.
