Welcome To Junifer Pharmaceuticals

Junifer Pharmaceuticals came into inception by Mr. K. S. KAKKAR in January' 2012 and after tasting success in Southern India gradually spreading its tentacles to various states. Owing to high quality and diverse range of products, continue to get positive response from the Medical fraternity. One among the fastest growing Pharmaceuticals Companies in India with a stupendous growth (40%-50%) displayed year after year. Keeping in consonance with our corporate slogan "Making Life more Happier & Healthier", we are armed with core-values of Integrity, Innovation and Industry. Possessing a diverse range of superior products and services, we aim to fulfill and satisfy the Medical need, since we believe.Making Life More Happier & Healthier, and finding sustainable solutions to the most pressing health care challenges of our world. That's why we at Junifer Pharmaceuticals are committed to applying science and our global resources to improve health and well-being at every stage of life. We strive to provide access to safe, effective and affordable medicines and related health care services to the people who need them. We have a leading portfolio of products and medicines that support wellness and prevention, as well as treatment and cures for diseases across a broad range and we have an industry-leading pipeline of promising new products that have the potential to challenge some of the most feared diseases of our time, like Alzheimer's disease and cancer. To ensure we can continue to deliver on our commitments to the patients, customers and shareholders who rely on us, we are focused on improving the way we do business; on operating with transparency in everything we do; and on listening to the views of all of the people involved in health care decisions.

Through working in partnership with everyone from patients to health care providers and managed care organizations to world governments and non-governmental organizations, our goal is to ensure that people everywhere have access to innovative treatments and quality health care.
