Welcome To Kaiser Drugs Private Limited

Established in the year 1999, Kaiser Drugs is one of the reckoned names in the medical sector, engrossed in distribution of critical life-saving drugs. The company has explored expertise in the field of vitamins, Anti-inflammatory, antispasmodic, cough suppressant, and other allied drugs and has been retrieving the therapeutic wisdom of Ayurveda from the ancient period.Our Ayurvedic, therapeutic and other pharmaceutical medications, available in the form of pharmaceutical capsules, pharmaceutical tablets and pharmaceutical syrups which are marketed under the brand names LIVOKAS and COSKAP-NP Cefstat - Tab/Inj, Kascobal, Fifa-XT. The company believes in improving the life of the individuals by offering natural medicated products, which are a result of studies on ancient Ayurveda.
Grown from a small distributor firm in Lucknow, Kaiser Drugs has explored new potentials in the medical domain, and has extended its product portfolio different category of drugs. Only branded and drugs manufactured by reputed manufacturers are marketed by us. Moreover, the company has gained the confidence of medical professionals, including the stalwarts and others.
