Welcome To Kamron Laboratories Limited

We are pleased introduced ourselves as KAMRON LABORATOREIS LIMITED, a pharmaceutical manufacturing and marketing company established in the year 1990 by Mr.Kamlesh J. Laskari who started a manufacturing facility to produce tablets, capsules, liquid orals and liquid injections. The plant is located in the land area of approx. 10000 sq. yard. Kamron has the latest and most advanced machineries to balance the demand and supply. The company enjoys a excellent track record with FDA. Most importantly the facility is approved by WHO-GMP and ISO 9001: 2008 norms. The manufacturing facility is also approved by several African and Asian regulatory authorities like PPB – Kenya, NAFDAC- Nigeria, DDA- Nepal, FDA- Cambodia etc. to name a few. Moreover the company's products are regularly exported to all these countries and many more. Kamron manufactures a wide range of products across various dosage forms like tablets, Capsules, Liquid Orals and Liquid Injections. It covers a wide therapeutic categories which includes Antibiotics, Pain management, Antiemetic, Nutritional Supplements, Cough Syrups, Hemostatic, Hepatic care, Pediatric care, Pregnancy and Reproductive care. Our medicines bear the true hallmark of Quality and Trust to attain the Propaganda of pharmaceutical worldwide. We follow total quality management system to ensure that the best and safe formulations are prepared to take care of the requirements of PCD market. We use techniques and technologies to exceed and surpass our competitors in a proficient way.
