Welcome to KB Pharma – Innovating Healthcare with Trust and Quality

At KB Pharma, we believe that medicine is more than a business — it's a responsibility toward improving lives. Founded with a vision to redefine quality and reliability in the pharmaceutical industry, we have emerged as one of the most trusted names in third-party manufacturing, import, and export of pharmaceutical products across India and abroad.

We take pride in offering a comprehensive portfolio of formulations backed by advanced technology, precision manufacturing, and a commitment to global healthcare standards. Our products are manufactured under ISO, GMP, and WHO-certified facilities, ensuring safety, purity, and efficacy at every step.

Our Capabilities

With years of experience and a strong network of certified manufacturers, KB Pharma offers an extensive range of high-quality formulations, including:

- Beta Lactam & Non-Beta Lactam Tablets
- Capsules (Beta & Non-Beta)

- Soft Gelatin Capsules
- Nutraceuticals & Food Supplements
- Syrups & Suspensions (Lycopene, Multivitamin, Cough Syrups, etc.)
- Liquid & Dry Injections
- Eye Drops & Nasal Drops
- Ointments, Creams & Topical Formulations
- Ayurvedic & Herbal, Gummies Products
- Critical Care & Antibiotic Range

Each product passes through strict quality assurance processes, modern analytical techniques, and professional supervision to meet both domestic and international regulatory standards.

Our Vision

To establish KB Pharma as a global leader in pharmaceutical manufacturing and export by ensuring accessible, affordable, and superior-quality healthcare solutions for all. We aim to build long-term collaborations with pharma professionals, distributors, and international partners to make reliable medicines available worldwide.
